- We still need to come up with a uniform usage agreement for the students and parents to sign.

### **New Business:**

#### **Sid Brown time**

- We have had several old instruments donated to us. He would like to have some of them refurbished for future us. This could possibly cost a couple of \$1,000.00. He will get Gadsden Music to look at and evaluate before any decisions are made.
- We ordered over \$9,000.00 in mums this year. The expected delivery date is expected to be September 15 – 30. Will need parent volunteer to help distribute the mums to the children.
- We have received the last of our drills. This needs to be paid, we agreed on \$1,200.00. Will get Chris an invoice so this can be taken care of.
- Concerned about time that we will need for the Brewer football game. We will need to leave no later than 4:15 P.M. Will contact the bus shop and let them know that we need early drivers.
- Our wireless system is working well on the field. The system cost us around \$1,800.00. We are looking at purchasing a wireless clip on microphone for our soloist. The clip on microphone will run us around \$300.00-\$350.00. Will check with Ron Partain and Gadsden Music for prices.
- The St. Clair County Expo will be at Ragland High School on September 19. The Expo starts at 7:00 P.M., we will leave around 5:30 P.M. Students will not go home before the expo, and students will eat at the expo.
- We will be attending the Midsouth festival on September 30 and we will attend both Trussville and Talladega festivals on October 7. We will have band reps at both festivals on October 7.
- JSU Day is September 23; we will not be attending as a group due to returning home late from Brewer on Friday night. Students are more than welcome to sign up and attend on their own.

- The Dinner Cruise is giving us our refund. It is being discussed between Betty and the BOE on how the parents will be reimbursed.
- Looking at a possible trip to Orlando in April.

### **Concession time (Amber Kay)**

- We are looking at feeding the kids Bojangle meals for the Brewer game on September 22 and Chick-fil-A sandwiches with chips for the Anniston on September 29. Boosters will cover the cost of these meals.
